

Technical data sheet

ALBERDINGK® AC 2420

Characteristic:

Specification:

Multiphase, self-crosslinking acrylic dispersion.

Solids content % 45.0 - 47.0 ISO 3251 1.0 g weighed quantity at 105°C pH- value 8.0 - 9.0 ISO 976

Viscosity mPas 50 - 1000 ISO 2555, Brookfield RVT Spindle 2/rpm 20/factor 20

Further typical data*:

According to:

According to:

MFFT °C ca. 22 Density g/cm3 1.0 - 1.1

ISO 2811-1

Solvent-free

Properties:

- improved adhesion on galvanised surfaces
- hard film with good blocking resistance
- good sandability

Applications:

Outstanding corrosion protection, high blocking resistance, superior water-resistance and vapor-barrier properties.

Technical data sheet

ALBERDINGK® AC 2420

Storage:

In originally closed containers ALBERDINGK-dispersions are stable when stored at 20°C for 6 months after delivery date. The recommended temperature-range for storage is 5 - 30°C. Freezing or storage at higher temperatures than 30°C, can affect the viscosity or the average particle size and finally lead to a sedimentation or coagulation. A contamination with bacteria, fungi or algae can damage the product irreversibly. The product is only preserved for the transport. For a longer storage time, we recommend to add additional preservative. A warranty for the sterility after storage can not be granted. ALBERDINGK BOLEY GmbH assures that the data mentioned under "specification" are stable for 6 months after delivery date, if the product is stored under the recommended conditions. A longer storage does not mean that the product is not usable anymore, but we recommend to check the specification data before use. A warranty after 6 months of storage can not be given by ALBERDINGK BOLEY GmbH. The product should be stirred well before use.

Packaging:

plastic drums (120 kg) one-way container (approx. 1000 kg) as bulk in tank cars, by agreement.

Safety:

For further information on product safety please refer to the current safety data sheet.

Notice:

* General information - the values can not be considered as part of the product specification.
