## ALBERDINGK® Linseed Oil Fatty Acid

### Specification:

#### Acid value

Acid value mg KOH/g 100 - 150

#### Water content

Water content % max. 2.5

### According to:

#### ISO 660

ISO 660

#### ISO 8534

ISO 8534

### Further typical data\*:

Gardner colour value min. 18

Saponification value mg KOH/g 160 - 200

Iodine value acc. to Wijs g Iod/100g 140 - 200

Density at 20°C g/cm<sup>3</sup> ca. 0.93

Unsaponifiable content % max. 5

Linolenic acid content % ca. 30 - 50

### According to:

ISO 4630

ISO 12966

ISO 12966

ISO 2811-3

Ph. Eur. 2.5.7

ISO 12966

### Safety:

For further information on product safety please refer to the current safety data sheet.

### Notice:

\* General information - the values can not be considered as part of the product specification.
