

Waterbased Dispersions for Laminating adhesives

While the descriptions, data and information (collectively, the “Information”) contained herein, or otherwise made available to or used by a customer, potential customer and/or user (each, a “User”), represent our current state of technology and are presented in good faith and believed to be accurate, they are provided for guidance purposes only. Alberdingk Boley itself and on behalf of all of its past, current and future affiliated and related companies and entities (hereinafter referred to as “AB”) make no warranties (expressed or implied), as to the Information’s accuracy, sufficiency, adequacy or freedom from defect and assumes no liability in connection with any use of the Information. The Information is not intended to assure certain characteristics of AB’s products and their suitability for particular application fields and/or uses, as many factors may affect processing, application and/or use. Any User of AB’s products is responsible for determining the suitability of such products for its particular application. No express or implied warranty is made by AB of the merchantability, suitability, fitness for a particular purpose, freedom from patent infringement or otherwise of any product or service. Any existing intellectual/industrial property rights must be observed. AB will not be liable to any User for any damages including, without limitation, any special, incidental or consequential damages. In no case shall any information provided to a User be considered part of AB’s terms and conditions of sale.
